MAKE THE WORLD A BETTER PLACE | COMMUNITY INVOLVEMENT

The Hinkley Lighting family proudly supports breast cancer initiatives in an effort to help eradicate this horrible disease. By increasing awareness and supporting education and community events, together we can work towards finding a cure. Hinkley also supports a variety of other charitable organizations that strive to make a positive difference in the lives of others. Visit hinkleylighting.com for more information.

Hinkley Lighting stands behind the quality of our lighting fixtures with product warranties that are among the strongest in the industry. For details of warranty coverage on specific products, please refer to hinkleylighting.com or consult an authorized Hinkley representative.

Several Hinkley Lighting products are protected under U.S. Patent and foreign patent, or patent pending. For current information regarding Hinkley Lighting's patent portfolio, please visit hinkleylighting.com.

Hinkley Lighting is a proud partner of the American Lighting Association.

Consistent with our corporate strategy, we have printed this catalog using vegetable-based inks, paper made with wind power and FSC® certified paper which consists of 10% post-consumer recovered fiber.

According to the Mohawk Environmental Calculator, our paper selection preserves 3 trees for the future and prevents 294 lbs of greenhouse gases from being emitted into the atmosphere.

Please consider joining our environmental efforts and recycling this catalog.
