LONGUEVILLE LANDSCAPE : COMPACT & COSY

The stylish nonchalant look of the LONGUEVILLE LANDSAPE, a redesign of the successful Loungeville sofa, gives the sofa its cosy appearance. Thanks to its inventive, soft-rolling interplay of lines with discreet accent piping, the model entices you to sit in it. With seductive elegance and striking gracefulness, the slender sculpted corner feet support the sofa as a whole and give the model a refined allure.

VERHAERT NEW PRODUCTS & SERVICES : RENOWNED INNOVATION CENTRE

Verhaert New Products & Services is a renowned innovation centre that develops innovative products and systems for a wide range of sectors : industry, lifestyle, medical and public sector. As a laboratory for innovation, Verhaert accompanies the creative process at JORI. The two companies work together closely in order to develop new ideas that embody JORI´s core values: design, comfort and durability. And the many years of collaboration between the two companies has clearly produced results, as shown by the patented design of the relax mechanism and the models Longueville, Chillap and Calypso.
