

**SILVA : MINIMALISTIC DESIGN ETHOS**

Coffee table Silva catches in its simplicity the essence of pure design. Its tight lines and logical proportions make this a minimalistic gem which fits everywhere. Hovering above the ground, it presents itself with an airy and light feel; the spacious and invisible drawer makes its user friendly. This table makes a colour statement in oak or in walnut.

POCCI + DONDOLI : CITIZENS OF THE WORLD

For Pocci+Dondoli design has to express beauty, harmony and freedom, as it can not be bound by strict established rules or exist as privilege of a social or cultural elite. The research on materials and processes, conceived to achieve maximum results in quality / price terms, is one of the main activities of the studio: they privilege materials that, through sophisticated processes, acquire nobility and elegance, such as aluminum and plastic, and other noble and antique materials like leather and hide.
